Banks Avenue Reconstruction – Phase II
Weekly Update – September 29, 2011

The Banks Avenue Reconstruction – Phase II project is now substantially complete, and the project area has been opened to traffic. Some work still needs to be completed and final inspections performed; as such extra caution needs to be taken while driving in the project area.

This is the final construction update for this project.

Please feel free to contact me with any questions at (715) 394-0392 ext. 143.

Sincerely,

Erin Potratz
Engineering Technician
