

FAQ's

Banks Project

What's going on?

Phase II of the Banks Avenue Reconstruction project will begin the week of July 5th (weather permitting). This phase is from North 12th Street to Belknap. The side streets (11th – 14th) from Banks Avenue to the alleys will be reconstructed with diagonal parking created on one side of the street. The alleys will be open throughout the project.

Who is the Contractor?

A-1 Excavating, Inc of Bloomer, WI.
