

Help us make the Lake Superior Ices Festival truly SUPERIOR by sponsoring a customized ice carving to display in front of your business.

Each of these ice sculptures is a work of art, designed specific to your business. Krystal Klear can incorporate color into the carving using laminated images, or occasionally freezing in other objects (like flowers, faux fruit or small decorative items*)...

Let your imagination go!

They will be carved in advance. The City will provide a base.

The sculptures will be installed in front of your storefront

before 9 a.m. Saturday, January 30th.

There will be a **limited number of sculptures available.** We are also limiting it to one of each design available.

Your design ideas are welcomed and encouraged!
